*Just as the Wise Men honored Jesus by giving him valuable gifts,  
I want to give Jesus the following in 2021:*

## 1. The First Step

**My faith.** I do believe that Jesus is my Savior and that he paid the price for my sins on the cross, so I am forgiven and born again!

## 2. Serving God out of Gratitude

**My forgiveness.** Just as God has forgiven me, I will forgive every person who has hurt me in the past and who will hurt me in the year to come.

**My influence.** I will invite my pre-Christian friends and family to worship in-person or online.

**My voice.** I will tell my pre-Christian friends and family whenever I hear that God has answered a specific prayer request (i.e. during "Praises & Concerns").

**My offerings.** I will give to God \_\_\_\_\_ % of my yearly income.

**My marriage.** I will do the following to improve my marriage this year:

**My body.** With God's power (see the 3<sup>rd</sup> section below), I will give up the following bad habits this year:

Over eating

Lack of exercise

Drinking

Smoking

Other drugs

**My time.** I will work for God and for my church in the following ways this year:

## 3. Power to Serve God

**My worship.** I will worship God in church this year on \_\_\_\_\_ Sundays.

**My study.** I will pray & study the Bible on my own \_\_\_\_\_ days a week.

**My hunger.** I will give up \_\_\_\_\_ meal/s a week (a.k.a. "fasting"), in order to identify with Jesus' suffering he went through for me on the cross.

**My prayer.** I will spend [at least] 10 minutes in prayer \_\_\_\_\_ days of the week.
